

Innovos is founded June 1st, 2008. At first as a business run by a single individual, as per January 1st, 2009 continued as a private limited company Innovos B.V.. Founder, owner and single shareholder is Eric de Vos. Legal residence of Innovos B.V. is Sassenheim, The Netherlands. Sassenheim is part of the community Teylingen and located in the heart of the touristic and inspiring Flowerbulb area. Centrally located between the highways A4 and A44, close to Schiphol airport, Amsterdam and The Hague. Because of this location all parts of The Netherlands are easy to reach. The nearby airport guarantees easy access to international destinations.
